

## RangedSliderDrawer

Creates a steppable range selector in the inspector panel on a `RangedFloat`.

### Min/Max Properties Set

```
[SerializeField]  
[RangedSlider(0, 1)]  
private RangedFloat volume;
```

### Min/Max/Step Properties Set

```
[SerializeField]  
[RangedStepSlider(0, 1, 0.1f)]  
private RangedFloat volume;
```
